

## Technical Data Sheet

### Edge Clip Nylon Cable Ties

<b>Date:</b>	01/06/2022
<b>Last Revision:</b>	June 2022
<b>Product Description:</b>	Edge Clip Cable ties for electrical cables management
<b>Product Reference:</b>	BR-EC-200-48-NE-UV
<b>Material:</b>	Polyamide 6.6
<b>Ambiental Category:</b>	Outside (UV protected)
<b>Flammability of raw material:</b>	UL 94 - V2
<b>Humidity absorption:</b>	2,7% - 2,8% (23°C - 50%% R.H.)
<b>Installation Temperature:</b>	-10°C to +85°C
<b>Working Temperature:</b>	-40°C to +85°C
<b>Max sustainable Temperature for short time:</b>	+110°C
<b>Profile thickness:</b>	1 to 3 mm
<b>Resistance:</b>	Good to bases, oils, greases, oil derivates, chloride solvents. Limited to acids. Not resistant to phenols.
<b>Comply with:</b>	UL62275 and EN62278
